

Stacy Disney Recent Testimonial

We first met Stacy Disney from Lava Rock Realty during a vacation in Hawaii two years ago. Earlier this year we decided to begin looking for a second home on the Big Island and re-contacted Stacy to ask that she find homes for us to view. While we were looking at houses Stacy also showed us a vacant property that we fell in love with at first sight. We purchased the land and are now constructing a home on our piece of the Big Island. Throughout the process Stacy has gone way beyond the normal realtor's role. She helped us negotiate the land purchase, begin the building process, introduced us to the Honokaa community, and was always available to lend a hand whenever we had questions. In the process we are very happy to say she has become a good friend. For us, Stacy has given real meaning to the spirit of Aloha. Thanks Stacy for helping our dream become a reality.
